Acknowledgement Form

I understand I am enrolling in a health care plan which may require that health care services be provided by participating providers. I also understand that failure to use a participating provider may result in reduced coverage or no coverage for services I receive, and I will be fully responsible for any and all costs not covered by Coventry Health Care of Georgia, Inc./Coventry Health and Life Insurance Company (Coventry). I understand that my Certificate of Coverage/Insurance provides additional details explaining the use of participating and non-participating providers under the plan.

I have received a list of the participating providers. I understand that a provider's participating status may change from time to time and it is my responsibility to verify the provider's participation status prior to receiving services. I understand that I may verify provider status in one of two ways. First, by checking Coventry's website (www.chcga.com), which is updated at least every 30 days. Second, I may call Customer Service at the number listed on my Member ID card.

As required by the State of Georgia, Coventry provides the following summary of financial arrangements with the health care providers who are participating in the Coventry network:

- (1) Hospital providers are paid according to a contract that includes inpatient per diems, case rates and discounted fee for service arrangements depending on a specific service provided.
- (2) Physicians are paid through capitation or discounted fee for service in accordance with a specific fee schedule which has been provided to them as contracted.
- (3) Laboratory services are provided through a capitulated per Member per month flat fee. Other ancillary services including home health, skilled nursing and hospice are paid on a contracted fee schedule.
